

EPA PBT Chemicals under TSCA section 6(h)

February 15, 2024:

The provisions of the Toxic Substances Control Act (TSCA) section 6(h) are to reduce exposures to certain chemicals that are persistent, bioaccumulative and toxic (PBT) into the environment. To the best of our knowledge through due diligence in the supply chain, Helgesen Industries does not purchase, use, nor supply products containing any PBT listed chemicals.

To learn more about the five listed chemicals and their final rules, please visit:
